Rep. Peter Welch on Tuesday will continue a second series of Telephone Town Hall meetings in counties throughout the state.

Throughout May, Welch is holding meetings for residents of Chittenden, Washington, Addison and Orange counties. The hour-long calls allow Vermonters to discuss issues of importance with Welch and ask him questions about any topic.

Welch held his first series of regional Telephone Town Hall meetings last fall, reaching residents of Franklin County, Bennington County, Rutland County and the Northeast Kingdom.

Those wishing to take part in the meeting should dial 1-877-269-7289 and enter PIN code 13785 at the start of each meeting.
