

Congress of the United States
Washington, DC 20515

September 10, 2020

The Honorable Donald J. Trump
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Dear President Trump:

We write in full support of the September 8 letter, attached, from our Governors — Scott of VT, Sununu of New Hampshire, and Mills of Maine — opposing reimposition of the 10% ad valorem tariff on the importation of Canadian aluminum.

As our Governors forcefully state, this tariff is extremely detrimental to the economies of our states and the close and mutually beneficial relationship our states have enjoyed with Canada, our major trading partner. It is imperative that our states continue to expand and strengthen our economic and social ties with Canada. The tariff weakens that bond.

We urge you to support the request of Governors Scott, Sununu and Mills.

Sincerely,

Peter Welch
