The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Main Street Family Housing project, which will create 16 new units of permanent affordable housing built around trauma-informed design concepts with a priority pathway into permanent housing for families experiencing homelessness. The entity to receive funding is Committee on Temporary Shelter, located at 287 Main Street Burlington, Vermont 05402.

$825,000 in congressional support is needed to support these 16 new units of affordable housing targeted specifically to families moving from emergency shelter. This project will help alleviate many social, emotional, and economic tolls that homelessness can have by creating a new opportunity for families to thrive in their community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Peter Welch
Member of Congress
