### **Welch Working to Make Electric Vehicles More Affordable**

Rep. Welch introduced legislation to increase the tax credit for purchasing an electric vehicle and make it immediately available to consumers at the point of sale rather than when filing your tax return. His bill will make these efficient and environmentally friendly vehicles more affordable for Vermonters. [Read more.](#)

### **Welch-Authored Energy Efficiency Bills Advance in Congress**

Two more of Rep. Welch's bills from a series of bipartisan energy efficiency bills have been advanced by the House Energy and Commerce Committee. Rep. Welch is a member of this powerful House committee and the leading energy efficiency advocate in the House of Representatives. The two bills promote energy savings in federal buildings and schools across the country. [Read more.](#)
